INTERSTATE COMMERCE COMMISSION

Gentlemen:

Reference is made to that certain Secured Note dated March 21, 1980 in the principal amount of \$1,538,264 (the "Note") issued by Funding Systems Railcars, Inc. ("Debtor") to you pursuant to the interim financing transaction (the "Interim Financing") described in that certain Finance Agreement dated as of March 21, 1980 (the "Finance Agreement") between Debtor and you. The Note, as amended, is secured by a security interest in certain railcars listed in Schedule A attached hereto (the "Equipment") owned by the undersigned, Refco Transport Equipment, Inc., a Delaware corporation ("Refco"), a certain Lease and Management Agreement dated as of March 21, 1980 (the "Management Agreement") between Debtor and Upper Merion and Plymouth Railroad Company and related collateral, all as more particularly set forth in that certain Security Agreement dated as of March 21, 1980 (the "Security Agreement") between Debtor and you.

Reference is also made to a certain letter agreement, dated as of March 21, 1980, between Refco and you, whereby Refco acknowledged your security interest in the Equipment, and to a certain letter agreement, dated as of March 21, 1980, between Refco and you, whereby Refco agreed to find or provide permanent financing for the Equipment which would replace the interim financing provided by you (which letter agreement was amended as of June 30, 1980).

Reference is further made to a certain letter agreement (the "Extension Letter"), dated contemporaneously herewith, whereby you have agreed with Debtor to increase the amount of the Interim Financing secured by the Equipment.

Prior to the effective date of the Extension Letter, the aggregate outstanding principal amount of the Interim Financing was \$1,538,264. Pursuant to the terms and provisions of the Extension Letter, from and after the effective date thereof the aggregate outstanding principal amount of the Interim Financing will be \$1,620,646.58, which represents an increase of \$82,382.58.

In order to induce you to enter into the Extension Letter, the effect of which is to provide additional Interim Financing for the Equipment and additional time for Refco to look for permanent financing, Refco hereby consents to the granting of, and grants, to the Lender an increase in the amount of its security interest in the Equipment equal to the amount of increase in the aggregate outstanding principal amount of the Interim Financing provided by the Extension Letter, plus the amount of all interest which from time to time hereafter shall accrue on the Interim Financing. In all other respects, the terms and provisions of your security interest in the Equipment shall remain unchanged.

Please acknowledge your acceptance of the foregoing by signing in the space provided below.

Very truly yours,

REFCO TRANSPORT EQUIPMENT, INC.
